

GPS confirms over 80 exhibitors this year

The second edition of the three-day Global Panorama Showcase (GPS) event that will be held at Hotel Centre Point, Ramdaspath in Nagpur from February 8-10, 2015 has confirmed more than 80 exhibitors. Harmandeep Singh Anand, MD, Jagsons Travels and Secretary General, Travel Agents Association of India (TAAI), said, "We are anticipating over 80 exhibitors to take part in GPS 2015. Some of the international participants include Tourism Malaysia, Spain, Thailand Convention Bureau, Bulgaria, Fiji, Canada, Indonesia, Mauritius, Seychelles, Jordan, New Zealand, Germany, Philippines, Swiss Tourism and Destination Lavasa. Many more are expected to confirm soon."

Apart from these destinations, he added that the event will also have local and international hotel chains, airlines, DMCs, cruise liners, travel insurance, visa service providers and other ancillary service providers participating as well. "The main focus of GPS is to educate and empower the agents from tier II and tier III cities of Central India and give them a larger exposure to available products and services to cater to their clientele in a much professional and organized manner. The workshops are interactive and allow the participants to ask questions relating to destinations, products and visas that will help them in creating itineraries and explaining to their customers better," Anand added.
